COMMENTS :

This bill would provide that each state agency offer an orientation course on the relevant ethics statutes and regulations that govern the official conduct of state officials. This bill would also require that certain agency members, officers and employees attend the orientation course as specified.

The April 15, 1998, amendment made a technical change to the Government Code reference for "state agency."

The department's prior analysis of the bill as introduced February 19, 1998, still applies.
